Programme ideas: VOLUNTEERING SECTION

Volunteering can transform society. This section seeks to help connect young people with opportunities to make a meaningful impact on issues they care about and have a positive societal impact.

When completing each section of your DofE, you should develop a programme which is specific and relevant to you.

This sheet gives you a list of programme ideas that you could do. You could also use this list as a starting point to create a Volunteering section programme of your own.

You can find more information at **DofE.org/do** and there is a range of exciting opportunities to help you complete this section at **DofE.org/finder**.

Help with planning

You can use the programme planner on the website to work with your Leader to plan and agree your activity before you start.

Before you begin, please check your activity with your DofE Leader. They will be able to confirm that it meets the requirements for the Volunteering section.
